

General Reminders

- A minimum of a 3.0 GPA must be maintained to be in good academic standing and to be eligible to graduate
- Most courses are 2-unit or 4-units. Occasionally a 3-unit course exists as an elective option. Taking a 3-unit class can result in a student needing to take more than the minimum number of units needed to graduate.
- At least two-thirds of your coursework must be at the 500-level or higher.

This is not a comprehensive list of requirements.
Review the [USC Catalogue](#) for Official Degree Requirements

Students working full-time should only enroll in 4 units. Please reach out to your advisor on the [Advise USC platform](#) if you have any additional questions.

Please direct advisor questions to on the [Advise USC platform](#). Due to the high number of requests at this time, it may take up to 3 business days to receive a response. Refrain from following up on an email as that will delay response time.

MS Green Technologies 27 Unit Minimum

Please enroll in the required courses unless you have completed them in a prior semester. If required courses have been completed, please enroll in the appropriate number of electives to reach the 8 units required to maintain full-time enrollment.

Please Enroll	If required courses have been completed, choose any approved electives below.
<ul style="list-style-type: none">• SAE 515: Sustainable Infrastructure Systems (4 units)	<ul style="list-style-type: none">• ENE 505: Energy and the Environment (4 units)• AME 577: Survey of Energy and Power for a Sustainable Future (4 units)• EE 526: Renewable Energy in Power Systems (4 units)• ARCH 519: Sustainability in the Environment: Infrastructures, Urban Landscapes and Building (3 units)

Please work with Dr. Sanders to finalize elective options. Be sure to document approved courses and submit them on the [Program Exception Request form](#).
